

ACKNOWLEDGEMENTS

The first year (June 2013-June 2014) of the 'Conscious Realities' endeavor would not have been possible without the generosity and support of a multitude of individuals and organizations at home and abroad.

Thanks firstly must be given to Mme. Ton Nu Thi Ninh, whose Tri Viet Institute of International Studies and Exchange in Ho Chi Minh City graciously supported from the very beginning, introducing Sàn Art to our inaugural host, Vietnam National University. It is however to Mrs. Bui Tran Phuong, Mr. Nguyen Luu Bao Doan, Mr. Pham Quoc Loc, and Mr. Nguyen Minh Son of Hoa Sen University that Sàn Art pays deep gratitude for their continued support and enthusiasm for this program, becoming our key host partner in the 'Encounter' lecture program and our co-publishers of this Reader series specifically.

Secondly we send our heartfelt thanks to the generosity of the participants of the overall first year of the lecture and workshop program 'Encounter' and the artist in residency program 'Prod Ponder': (in order of participation) Professor Ngo Bao Chau (USA/Vietnam); Professor Ute Meta Bauer (Germany/Singapore); Dr Truong Thi Kim Chuyen (Vietnam); Professor Prasenjit Duara (Singapore); Associate Professor Thanesh Wongyannava (Thailand); artist Nalini Malani (India); poet Inrasara (Vietnam); Dr David Teh (Australia/Singapore); artists Chitra Ganesh (USA/India); Jompet Kuswidananto (Indonesia); The Weather Bureau (The Phillipines); Art Labor (Vietnam); Adriana Bustos (Argentina); Khadim Ali (Afghanistan/Australia), Than Sok (Cambodia).

Sàn Art would not have been able to conceive such an intellectual journey of lectures, workshops and artist presentations without the skill and tenacity of our trusted interpreters, Phuong Nguyen, Lena Bui, Phan Thao Nguyen, and Hoang Tran Bao Quyen, whose incredible minds traversed between English and Vietnamese with flair and diligence. Our fondest Thanks must also be showed to the workshop participants of 'Encounter': Archie Pizzini, Đỗ Tường Linh, Ed Weinberg, Hanoi Untitled Collective, Khoi Tran, Lam Thanh, Lys Bui, Pham Dieu Quyen, Phan Thao Nguyen, Phuong Phan, Quang Lam, Racheal Carson, Rich Streitmatter-Tran, Sita Raiter, Truong Cong Tung, Tu Manh Ky, Hung M. Duong chosen via Open Call across Vietnam, who attended all workshops of 'Encounter'.

Special honor must be given to the translators and editors of this very publication, Hùng M. Dương, Nguyễn Thanh Tuấn, Châu Sa, Phạm Thị Hoài, Đinh Bá Anh, Hà Vũ Trọng, Nguyễn Tiến Văn, Đỗ Tường Linh, Trần Ngọc Hiếu, Phạm Như Hồ, Nguyễn Văn Khoa, Danh Thành Do-Hurinville, Hoàng Anh Ngọc, and Việt Lê, whose excitement with the initiative was reflected in their reduction of their standard fees, believing this Reader to be incredibly important to the discussion of cultural and artistic histories in Vietnam.

The shaping of the 'Conscious Realities' endeavor has greatly relied on the expertise of its Advisory Board. Thanks to their vast networks and experience this undertaking has gained particular international acclaim: N'Gone Fall (France/Senegal); Gridthiya Gaeweewong (Thailand); Christopher Myers (USA); Hammad Naser (Hong Kong); Jose Roca (Colombia); Sharmini Periera (Sri Lanka/USA); Kate Fowle (USA/Russia). I can't say enough how indebted I am to the Sàn Art team, whose dedication, commitment, and belief to power on through the often 'thick' discussion, to facilitate the many paperworks required to obtain official license, to understand the intricacies of hospitality and the need to facilitate our guests' introduction to our community, specifically Nguyen Bich Tra, Arlette Quynh-Anh Tran, Le Xuan Hong Nhung, Tran Minh Duc, Ngoc Nau, Duong Manh Hung, and my fellow Sàn Art Board Members, Dinh Q Le, Tuan Andrew Nguyen, Phunam, Matt Lucero, Nick Curtis, Dolla Merrillees, and Wayne Blank.

Crucial word of thanks to Wayne Blank and the Vietnam Foundation for the Arts, for without their acting as Sàn Art's fiscal partner we would not have been able to access the necessary funds secured via Sàn Art's Network Partnership with the Prince Claus Fund. Which brings me to the biggest thank you of all – to the Prince Claus Fund, to Joumana Khoury El-Zein and Christa Meindersma for their belief in Sàn Art for without their guidance and securing of sponsorship this entire 'Conscious Realities' undertaking would have never come to fruition. It has been a rare gift to work with the talent from the vast corners of the Global South in Vietnam.
